About The Arc of Loudoun at Paxton Campus

The Arc of Loudoun at Paxton Campus, located on a beautiful 17-acre campus in the heart of Leesburg, is a full-service nonprofit dedicated to providing an integrated and innovative environment for children with disabilities and connecting their families to the resources and support they need.

- [Open Door Learning Center](#) equips preschool children of all abilities with the social and developmental skills needed to thrive in mainstream kindergarten.
- [The Aurora School](#) helps significantly challenged students, primarily with autism, achieve personal excellence, gain independence and vocational skills for their life.
- [Ability Fitness Center](#) is for people living with neurological disorders—stroke, brain injury, spinal cord injury, cerebral palsy—giving them a one-of-a-kind place to access specialized equipment and expert clinicians. Additionally, students from The Aurora School strengthen their fine and gross motor skills in a safe, supportive environment.
- [Aurora Behavior Clinic](#) is where children with intellectual and development disabilities from the community have a highly-trained team of diagnosticians, Board Certified Behavior Analysts, Occupational and Speech Therapists, and ABA Therapists committed to their success.
- We connected more than 3,000 people with disabilities, their families, caretakers, and professionals who work with them with the resources they need to live a life like yours through [ALLY Advocacy Center](#).
